ST. MIRA'S COLLEGE FOR GIRLS, PUNE

AN AUTONOMOUS COLLEGE AFFILIATED TO SAVITRIBAI PHULE PUNE UNIVERSITY

RE-ACCREDITED WITH Á' GRADE BY NAAC
(3rd Cycle-2017)

PROSPECTUS 2018-19

THE COLLEGE SONG

I would be simple, for I would be strong
To wrestle with the dark and right the wrong!
I would be pure, for a shrine am I of Him,
Whose Holy Light I must reflect, not dim!

I would in worship lift my heart to God,
Without whose mercy I am but a clod!
I would in service grow from more to more,
For in the poor is He whom I adore!

I would be humble, for in pride is fall;
I would send out my sympathy to all!
I would be friend of man and bird and beast;
I would th' One Atman greet in West and East!

I would in races and religions all
Hear still my Holy Master's sacred call!
I would in silence serve St. Mira's College still;
I would, in great and small, adore
The one Eternal Will!

- **Sadhu Vaswani**

ST. MIRA'S COLLEGE FOR GIRLS

A PROFILE

The woman-soul shall lead us upward, on!

The Mira Movement in Education was born out of the vision of a philosopher-saint, Sadhu Vaswani, himself a distinguished Professor and Principal of prestigious institutions. Sadhu Vaswani was a visionary who believed deeply in woman power and woman-Spirit, long before feminism was even thought of. He founded the Mira School in Sind in 1932, and the model institution was all set to evolve into a Mira University when the Partition of the sub-continent forced him and his band of devoted workers to leave their homeland, Sind, and migrate to Maharashtra in Independent India.

The State of Maharashtra with its glorious history of culture and liberalism provided a fertile ground for the Mira Movement to take new roots. The Mira Schools and College were set up in quick succession. St. Mira's College , established in 1962, was one of the pioneering colleges set up exclusively for girls in this part of the country. Today, the College is a member of the prestigious and exclusive Mira Family consisting of nine educational institutions, located across India in Pune, New Delhi, Baroda, Rajkot, Ahmedabad and Jaipur. The Mira Movement's Headquarter is located in Pune, and the institutions flourish under an enlightened and supportive management headed by none other than Dada J.P. Vaswani, a world-renowned spiritual leader and messenger of India's spiritual heritage.

Our Motto

The Motto given to us by our Founder, Sadhu Vaswani, is **'Kindle The Light!'**

Our Mission

Empowerment of women through a triple training of the Head, the Hand and the Heart.

Our Goals

i) To produce graduates capable of independent, lifelong learning.
ii) To provide a triple education of the head, hand and heart.
iii) To provide an environment in which staff and students can achieve their full potential.
iv) To foster a strong sense of belonging to the institution.

Location of the College Campus:

The College is located in the green and salubrious environs of Koregaon Park. Designed with architectural elegance and functional simplicity, the campus offers excellent infrastructural facilities, which include:

- A spacious Sanctuary hall to accommodate the entire student population of the Degree College/Junior College.
- Well laid out green lawns.
- A paved parking lot for the students' two wheelers with parking attendants.
- A beautifully designed auditorium to accommodate 500 students, with excellent acoustics.
- A spacious playground and gym.
- 48 well-designed class-rooms on three floors.
- An excellent and well-stocked library with adequate reading room facility.
- A Cafeteria.
- A Girls' Common Room.
- A Hostel for Girls.
- Infotech Centre.
- Language Lab.
- Digital Lib. Facilities.

What is special about St. Mira's?

Sadhu Vaswani felt that the end of true education is character building. Education must not merely be academic or abstract; it has to prepare the students for real life. To this end, he devised a new type of education , which would not only develop the brainpower, but which would provide a triple training of the head, the hand and the heart-to equip the student to become a worthy participant in the adventure of life.

The name *Mira* is synonymous with Nobility, Wisdom, Indian Culture, Courage, Purity, Service, Sacrifice and above all, Pure Love. Saint Mira was an advocate of true freedom for women, which grows out of the love of God and service to the poor. With one strong sweep of her soul, she rose heroically to break the fetters of Indian womanhood. Mira flowered from a rebel into a Saint. She asserted her will, vindicated her dignity as a woman, only to surrender her will to the Lord, providing a luminous example of " Öur wills are ours to make them Thine !" It is these very qualities, which Sadhu Vaswani wanted girls to be blessed with. Therefore, Sadhu Vaswani called his experiment in education after this Saint of Indian History.

The Mira Movement is, in effect, aimed at the empowerment of women-emotional, intellectual and spiritual. It testifies to the adage: educate a man, and you educate an individual; educate a woman and you enlighten a whole family. St. Mira's College seeks to accomplish this ideal by providing an environment where the girl students can flourish and evolve to achieve their highest potential. What sets St. Mira's in a class apart from other educational institutions is a composite atmosphere and functioning, which may be described as the Mira way of life. Its outstanding features are many:

- Academic excellence is never compromised, and St. Mira's students are given every support and training necessary to show excellent results in the University examinations.
- Social Service and Community Development are an integral part of the Mira Education System. Students, working with the active support and guidance of their teachers, participate in a full-fledged year long Social Service Programme, which forms an impressive calendar of service activities.

- Indian ideals and the eternal values of life are a distinctive feature of the Sanctuary- a daily assembly devoted to the Art of Living.
- For the Mira Management, Education is not a commercial enterprise, but part of its highly idealistic programme of service to society.**Therefore, no capitation fee is charged for admission to any of its courses.No student is ever turned away from a Mira institution for want of money.**
- Generous patrons and donors have instituted freeships and scholarships, which are well utilized to aid underprivileged students.
- The College takes pride in producing, several graduates who are first generation learners every year. The freeships and concessions available to them are fully utilized by these students, who benefit greatly from the encouragement that they receive from staff members.
- In the day-to-day activities of the College, curricular, co-curricular and extra-curricular activities are woven into a seamless fabric, enabling active participation of students and teachers in all events and programmes.

ST. MIRA'S COLLEGE IS THE FIRST ARTS &COMMERCE COLLEGE IN MAHARASHTRA TO BE GRANTED AUTONOMY.THE COLLEGE CONTINUES TO BE AFFILIATED TO THE SAVITRIBAI PHULE PUNE UNIVERSITY. STUDENTS OF ST.MIRA'S AS USUAL CONTINUE TO BE A PART OF THE SAVITRIBAI PHULE PUNE UNIVERSITY AND GET THEIR DEGREE CERTIFICATES FROM THE UNIVERSITY.

Autonomy is the privilege granted by a University to colleges affiliated to it to undertake some of the functions under taken by the University itself. The Savitribai Phule Pune University has placed its trust in St. Mira's and allowed the College to design its Graduate and Postgraduate courses to suit students' and industry needs and conduct exams in the same.

Autonomy is synonymous with accountability. Only such educational institutions that have a track record of excellent academic performances, credibility and are well known for 'Healthy and Ethical Practices' are granted Autonomous status.

- Academic Autonomy at MIRA's has helped to provide Seamless education, where by Commerce students may if they so desire, take one subject from the Arts stream. For e.g. Psychology instead of Marketing; Sociology instead of Maths. Similarly, an Arts student can take up Maths instead of History/Politics.
- Inclusion of vocation based subjects in curriculum.
- Continuous evaluation to avoid the pitfalls of the 'rote' system.
- Inclusion of the 'industry perspective' in the syllabus.
- Subject dynamism made possible by providing for revision of at least 25% of the syllabus every five years.

M.Sc.: The Examination Pattern & Scheme of Marks

The M.Sc (Computer Science) Programme at St. Mira's College will be of two years duration consisting of two parts (Part I and Part II) with each Part having two Semesters. Thus, the M.Sc.Programme is of Four Semesters. We are commencing with Part –I in the academic year 2018-19.Each subject course will carry 5 credits each, The M.Sc. course will be as per the college autonomous pattern However, the M.Sc.degree will be awarded by the Savitribai Phule Pune University.

Evaluation and Examination

1.The College has introduced the **Credit Based Evaluation System.**
2.The College has adopted a semester pattern of examination both at the UG and PG levels with every academic year having two semesters.
3.There is an internal examination held for 40 marks and an end-semester examination for 60 marks. Passing the end-semester examination is compulsory with minimum 24/60 and a total of 40/100.
4.Attendance is compulsory for the examination; in case of absence, it would be considered as a backlog and declared as "Ýet-to-clear." The student has to appear for the same the next time that semester examination is held.
5.A student who has secured 24/60 in the End-Semester examination but has not obtained minimum 40/100 overall, should apply for an internal backlog.

Examination Cell

The entire examination work is entrusted to an Examination Committee consisting of   the Principal and senior faculty members. As per Statutes, the College has appointed a Controller of Examination to ensure fair and smooth conduct of examinations. The Committee Members meet regularly to formulate and implement Rules and Regulations for the conduct of Examinations under autonomy. Under autonomy, evaluation is a continuous process. The course has a combination of tests, discussions and project work for each year. The tests may be objective, multiple choice questions, short answers, essay type, project based or practical activities.

Certification

Every semester, students receive a mark-sheet mentioning Percentage of Marks and Grade secured at the end of each

semester. At the end of the third year, the Savitribai Phule Pune University will award the students the Degree Certificate. Such a certificate will bear the name of Savitribai Phule Pune University as well as the name of St. Mira's College for Girls, Pune. The certificate will be issued separately for a degree in Arts/Commerce/BBA/BBA(CA)/BSc streams/PG level. But in the case of the UG level (Arts &Commerce streams), the degree granted will essentially reflect a multi-discipline competence in Commerce or Arts subjects and electives chosen from across the streams. **Advanced learners who have taken advanced courses in their subjects will get certificates, which clearly mention the advanced level of their subject in their respective degree certificates.**
