Institutional Policy for Scholarships and Freeships

Revised 2020-21

Since its inception in 1962, St. Mira's has strived to make quality education available to young girls of all social strata. To ensure the fulfilment of this goal, the college facilitates the process of availing several government scholarships. There are a variety of scholarship opportunities available to students on a local, regional, statewide, as well as nationwide basis. In addition, the college also offers numerous scholarships and prizes to deserving students every year.

Objectives:

1. to provide incentives to students, and acknowledge and reward pupils for their efforts
2. to support and encourage advanced learners
3. to reward students who have shown progression
4. to acknowledge students' contributions in non-academic areas
5. to provide financial aid to need-based students
6. to give all girls (irrespective of the economic strata to which they belong) the opportunity to complete an undergraduate or postgraduate education in the field of their choice at the college

Step 2: A Selection Committee comprising of all faculty members come together for a meeting where each scholarship is discussed and awarded based on the set criteria of the individual scholarships

Step 3: Final decision resides with the Principal of the college

The college has a policy of waiving the admission fees for the ward of college employees who seek admission at the college for any degree college programme.

STUDENT AID PROGRAMME

In addition to the Scholarships and Freeships, St. Mira's College for Girls also runs a Student Aid Programme which has been put in effect from the academic year 2020-21 in order to offer financial aid to pay fees to students who do not fall under any government scholarship. This programme was initiated in light of the financial distress faced by several families owing to the Covid-19 pandemic. Funds are generated for the programme through faculty contributions, alumni contributions and external agencies and donors. The process of providing financial aid for fees to students can be summarized in the following steps:

Step 1: Student requiring aid will fill an application form requesting financial aid for fees

Step 2: Submit the form (duly filled and signed) along with other proofs such as a copy of aadhar card, income certificate, electricity bill and ration card

Step 3: The form and attached documents will be scrutinized by the coordinator of the programme

Step 4: Final decision on sum to be given is made based on factors such as fund available and economics status of the family. Aid of 50%, 75% or 100% of the total fees may be provided.
