

Pujya Kasturba Gandhi English and
Marathi Medium School, Koregaon Park

To whomsoever it may concern,

We at Pujya Kasturba Gandhi English and Marathi Medium School were extremely delighted at the visit of the students of St Mira's College for Girls, Pune from February 2023 to March 2023, to impart knowledge and skill to our students apart from the curriculum.

It was a very enriching and interactive session for our students who got to learn things other than the normal curriculum about life skills that one might need in their regular day to day life like stitching and handicraft art, public speaking and moral building, self-defence, quick healthy snack making, health and hygiene, language and museum art etc. Our students always keenly waited for their arrival and had a very positive response to all that the students wanted to talk about.

We would like to extend our gratitude to the Second year BCOM students namely- Anushri Prasade, Arya Vardhaman, Hrithika Kahol, Jyotishree Raut, Mahek Agarwal, Pavitra Ganeshan, Ruchi Gandhi, Yukta Pillay, Lalita Kumawat, Farzeen Sayyed, Kajol Nail, Kavya Goel, Aishwarya Pillai, Revati Sharma, Sneha Chavan, Akanchha Yadav, Perna Naidu, Shahin Shaikh, Sanskruti Dhage, Janhvi Rajpurohit, Shruti Math, Laxmi Maslekar, Veena Jadhav, Prajakta Waghela.

Thanking You,
