The Student Council body of 2022-2023 organized an outreach activity on 27th January, 2023. The activity took place on campus from 12:00 pm to 2:00 pm where students were invited to donate clothes that can be used in the winter season. There was enthusiasm among the students who came forward to extend a helping hand to those in need cheerfully. The drive was successful because of the generous contributions by students and staff. These pre-owned clothes were offered to students who were in need of it or who would take these woolen clothes to those in need in their neighborhood.
