To

The Principal

St Mira's College for Girls

Department of Sociology

Sub: Letter of acknowledgment for river walk on 25<sup>th</sup> March 2023

We at Jeevitnadi would like to acknowledge and appreciate the participation of 23 students from the Sociology Department for our River walk.

One of our flagship activities, the River Walk aims to give an overview of the Mutha river, and the historical and geographic importance of this river to the city of Pune. We hope the walk has enriched the 23 students who participated and has given them a better perspective of the river and the city around it.

We would also like to extend our gratitude to Manjita Kulkarni, the activity coordinator from the Sociology Department.

Hoping for a long time continued association with Jeevitnadi,

Regards

Shubha Kulkarni

Project Coordinator

Jeevitnadi
