River Walk in association with Jeevitnadi Foundation

Department of Sociology had organized a river walk along with Jeevitnadi foundation on 25th March,2023 at Vriddheshwar-Siddheshwar Ghat from 7:30 to 9:am. **Total 26 students participated** for this river walk. Coordinator for this river walk was Uma Khare, from Jeevitnadi foundation, she gave information about Mutha river and history of Pune city and all the rivers which flows in Pune city. Through this river walk students got to know about the environmental condition and contribution of rivers in our lives. They were able to connect themselves with nature and realized the problems of sustainable development. Found some insights like toxin free products and other measures where they can save water pollution as well as environmental degradation.
