Subject: Thank You note for your support

Dear Sir/Madam,

Activity conducted on 28 Jan 2023

This letter is a token of appreciation for Kind Donation Stationary items – Pen, Envelope, Files, Stapler pins & Cleaning Material that your organization has provided to NAWPC for the initiative of **Computer education & the all-round development of Visually & Physically Challenged students** at National Association for the Welfare of Physically Challenged. On behalf of everyone at NAWPC, I would like to express my gratitude towards this noble gesture. Please find enclosed receipt of your donation & 80(G) certificate as your donations to NAWPC are exempt under section 80(G) of Income Tax Act 1961.

NAWPC is working for the computer education & career development of Visually & Physically Challenged students for last **22 years** through various projects & activities. We are pleased to share it with you that *we are the first & only organization of its kind in Pune City running Computer Training Centre, Digital Library, Recreation Centre & Chaitanya Vishwa Boys Hostel for Visually & Physically Challenged students along with various classes for preparation of Competitive Exam.*

We feel glad to share with you that today NAWPC provide, residential facility to 20-25 visually impaired boys students and along with them yearly 150 challenged college going students (Boys & Girls) regularly avail themselves of the facilities FREE of cost provided through our various projects & activities under one roof. Today our 1650 students have become successful by making careers in various fields such as Education, Banking, Insurance, Government Sector, Private Sector etc. Our constant endeavor is to make these students self-sufficient in order to lead a better life by helping them carve a successful professional career. And to make this happen we require support and assistance from able hands such as yours as **we do not receive any government grant or permanent financial support.**

I look up to this assistance as one of the initial steps to achieve the objective of empowering the challenged students at NAWPC. I take this opportunity to thank you whole heartedly and invite you to visit us to see our work, projects & activities. Kindly visit our website www.nawpc.org

We look forward to build on to this relationship for eternity!

Thanks and Regards,

R.V. Deshmukh
