### Social Service Report

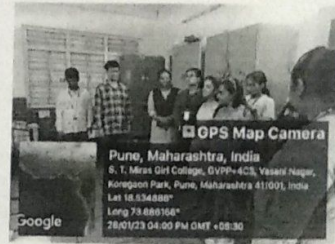

28<sup>th</sup> January 2023

The FYBCOM B class along with their class teacher Dr. Meenal Sumant went to NAWPC i.e. National Association for the Welfare of the Physically Challenged for social service. Total 12 students reached NAWPC by 3.30 pm on 28<sup>th</sup> January 2023. The person in-charge from the institution welcomed all the students and expressed her gratitude for this visit. Students visited the computer training centre, digital library, recreation centre and hostel room of the students at NAWPC.

A documentary showcasing the propounding work of the founder of NAWPC Mr. Rahul Deshmukh and the journey of NAWPC was shown to the students. Students enjoyed this inspirational documentary.

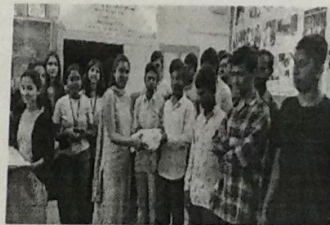

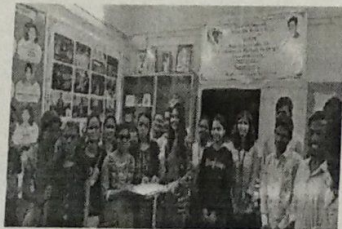

The hostel students of NAWPC welcomed and freely interacted with the teacher and the students of St. Mira's College. They gave their introduction and had a small conversation with the students. Everyone felt happy with the interaction.

In the computer training centre, all the students interacted with the physically challenged students and tried to understand the way they are taught and how they learn computers with the help of JAWS software.

Students visited digital library and were amazed to see the way blind students utilise all the facilities of the library.

The NAWPC has recreation centre where, musical instruments are kept for the students. The carrom board, chess, playing cards, etc. with some modification or identifiers for the blind students were also kept for recreation. The person in-charge happily explained how visually challenged people utilise all the games.

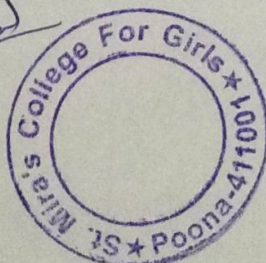

At the end, students donated many stationary items like files, stapler pins, envelopes, pens and cleaning items like phenyl to the institute.

Many students expressed their wish to visit the institute again and help the institute as volunteers. Mr. Rahul Deshmukh expressed gratitude towards St. Mira's College and its students for their regular visit to the institute.
