The Department of Sociology conducted a monologue on the journey of the first practising woman doctor of India, Dr. Rakhamabai. The monologue was written and presented by Alka Pawangadkar. She has been an activist in the women's movement for more than 30 years. The monologue consisting of narration and songs took us through the life journey of Rakhamabai and the hurdles she faced. The monologue also helped students to trace the Indian feminist legacy back to the late 19<sup>th</sup> century. Total 63 participants attended this monologue.
