Re: Global Opportunity Youth Network [anchored by Lighthouse Communities Foundation] & St. Mira's College (Pune) Umang Project Collaboration February to April 2022

Global Opportunity Youth Network and St. Mira's College (Pune) Psychology Department are collaborating from February through April 2022 in a Women empowerment Project to support vulnerable women with training for livelihoods and providing them listening support during this journey, in collaboration with other partner organizations.

Global Opportunity Youth Network is anchored by Lighthouse Communities Foundation, that is a registered that works on sustainable livelihoods, digital empowerment, and education.

GOYN is a global initiative catalysing systems shifts for youth opportunity in communities worldwide through the creation of sustainable training, employment, and income-earning pathways. The Global Opportunity Youth Network is housed at the Aspen Institute Forum for Community Solutions and is co-designed by global partners. Lighthouse Communities Foundation [formerly known as Pune City Connect] is the anchor partner for GOYN, Pune. Working on the principle of "Collective Impact", GOYN Pune facilitates a deeper level of ecosystem collaboration and coordinated action to transform livelihood opportunities for Opportunity Youth at the city level for young people aged 15-30 years of age.

We are extremely grateful to Dr. Jaya Rajagopalan, HOD Psychology and Ms Pooja Jain, Student Coordinator, Ms Sharmin Palsetia and the St. Mira's College students for their efforts ongoing collaboration and look forward to a long-continuing association.

Kind Regards,

Mrinal
