Dear Madam,

We truly appreciate the kind help extended to our institution that is engaged in the cause of saving ailing, accidental, injured, rescued strays. The medicines provided during the social service activity on 21 March 2023, were very timely and extremely helpful for the cause. We thank the esteemed College, the Faculty members Ms. Abhradita Chatterjee Nahvi and Mrs. Amrita Basu and also the 16 students from BBA who organized and participated in this social service activity in our institution.

We also find it commendable that volunteers of St Mira's College for Girls along with Her Mahina Har Mahila Team were involved in promoting sustainable and eco-friendly Menstrual solutions.

We look forward to your kind support to continue doing our noble work.

Thanks and Regards,
Dr. Ravi Kasbekar
