On 26th June 2020, students of St. Mira's college were offered an opportunity to address one of the major roadblocks that they were facing in their career due to COVID-19, through a webinar on "Post COVID Job Scenario and Interview Skills"

The webinar was conducted in collaboration with PIBM (Pune Institute of Business Management), by Mr. Parijat Pushp, Talent acquisition head - Mahindra insurance Brokers limited), and Mr. Ramanpreet (Chairman –PIBM) The aim of the webinar was equipping students with modern ways of presenting themselves and their resume for interviews. Mr. Pushp and Mr. Ramanpreet gave several insights on changing requirements in today's scenario. The students were guided on the pathways to achieve the right kind of value addition to their profile.

They also highlighted the need of being aware of current affairs, knowing the game changers and encouraged the students to enhance their knowledge through reading. They emphasized the importance of JD in an interview process and knowledge of company details.

This informative session imparted wisdom which enabled the students to evaluate their understanding of interview skills and improving their strategy for job interviews. The webinar was successful in educating the students on the formation of a strong base in the career of their choice. 286 students of all streams of TY and PG courses attended the session through the Zoom platform for two hours. This interactive session was helpful to students to chart their career path, not only in ways to move forward with a strong focus on their career but also gave them the motivation to look at challenging times like these with positivity.
