

Panaah Communities is a project under Leadership For Skilled Education Foundation

# INTERNSHIP COMPLETION LETTER

To whom it may concern

This is to certify that

**Preeti Maurya**

has successfully completed their internship as a Student Mentor at The Panaah Communities with EXCELLENT impact. The internship started on 18/05/2022 and ended on 15/08/2022.

During the internship, they engaged with a group of 15 to 20 students from the low-income communities of Patil Estate, Lohiyanagar, Mundhwa and Ganesh Peth. They took in-person classes everyday, conducted Assessments and tracked attendance, engagement and mastery. We sincerely appreciate their hard work, dedication, and passion for ensuring that the Summer Vacation does not contribute to the learning loss brought about by two years of school closure.

We wish them every success in life.
