Report - SAP pre-placement talk

Date - 16/10/2023

SAP Labs had introduced a Scholar program for students of St. Mira's College for Girls. The Scholar@SAP program with BITS Pilani is a highly regarded program that provides students with a unique opportunity to gain hands-on experience in the field of enterprise resource planning (ERP). The pre placement talk for students was held online on 16th October 2023. The following points were discussed in the students briefing:

1. The students were given a brief introduction about SAP and the career opportunities offered by SAP Labs. The students were then explained about the 4 year journey program in which the students will be first selected on the basis of the campus recruitment, after which they will be trained and will get a M. Tech in Software Engineering degree from BITS Pilani. During this learning phase of 2 years students will get a CTC of Rs 25,000. After 2 years of training students will be employed for a full time job while completing their M. Tech degree.

2. The recruiter then displayed the career progression chart to explain the position the students will start working at and how they will get promoted on the basis of their skills and hard work. Scholar benefits, compensation and other benefits which will be provided were also discussed. In this information about the pre-on boarding learning, sponsorship for M. Tech from BITS Pilani , SAP courses, hackathons, Cost of Investment, stipend and insurance care for life was introduced.

3. The recruiter shared insights on what the students should prepare for the interview and the 4 step recruitment process which consisted of online assessment, 2 technical rounds, HR Discussion round and offer confirmation and Documentation. As per eligibility criteria five students of TYBSC attended the same.

Total number of students = 05
