Report on Nagasaki Day – 10th August, 2022

On 10th August 2022, the Department of History organised a documentary screening session for the SYBA students to observe the bombing of Hiroshima and Nagasaki during World War II. This was a part of the BBC Series on 'Days that Shook the World'. It was in 1945 that the first atomic bomb was dropped on Hiroshima, a Japanese city killing 80,000 people instantly. It was important to sensitise the students to the horrors of the use of atomic weapons. 26 participants were present.
