To Whom It May Concern

Re: Tanaz Shaikh - Nayi Disha Resource Centre Online Directory Development

Ms. Tanaz Shaikh interned with LIFEAsia Community Empowerment online for one month through March 2022 for a total of 24 hours.

LIFEAsia Community Empowerment is a space for a wide range of local, national and international inclusive community activities and projects for all ages and stages – children, parent and professionals. These range from counselling, therapy, education, health and wellness to entertainment and recreation. Interns take part in any ongoing projects and implement tasks as assigned. Training is provided wherever necessary.

Nayi Disha Resource Centre

LIFEAsia Community Empowerment serves as a voluntary coordinator for the local Pune area, and one of the national team working to populate disability-related service provider registration and listings on the Nayi Disha Resource Centre platform. Our main focus in March 2022 has been to assist the Nayi Disha Outreach Team in two areas:

- contacting interested disability-related service providers in Pune, and encourage them to register with the Nayi Disha Online Service Provider Directory
- gathering contact data of disability-related service providers for Bhopal, Jamshedpur, Kanpur, and Nagpur, for the Nayi Disha Outreach Team to follow up.

Tanaz really appreciated working with Nayi Disha. She felt this experience helped her in improving her communication skills. The experience was something new and good. I also tried convincing people when calling, which made me understand that it's quite a task. I thank Nayi Disha and especially Tehnaz Ma'am who mentored and helped us throughout.

Tanaz is diligent and open to any tasks assigned. She is a friendly, bright and cooperative team player. We are extremely grateful to Tanaz for all her efforts. We wish her all the best for a very successful future.

Kind regards

Tehnaz Ragi
Clinic Director
