Report on Factory Visit

A factory visit to Chitale Bandhu Mithaiwale at Bhore, Pune was organized on 6th Feb 2023 for the students of B.Com & BBA.

A total of 75 students -33 students from B.Com and 42 students from BBA accompanied by two faculty members Dr.Rama Venkat and Ms.Abhradita Nahvi visited the factory to understand the nuances of factory operations.

We were guided to the factory-view gallery room where we were welcomed by the quality supervisor Mr.Sanap, who showed us a detailed video of Chitale Bandhu Mithaiwale since its inception, covering the processes, quality control, product details, customer reviews etc.

At present the two brothers: Kedar Chitale & Indraneel Chitale are heading the company and executing their roles and responsibilities with lot of innovation, meeting market needs and customer demand.

We were then explained in detail by Mr.Sanap about the famous bakarwadis manufacturing process. We could see from the gallery all the steps in the process. Each batch is tasted to ensure the quality remains the same

Later, the students were made to taste the freshly made hot crispy bakarwadis which were very very tasty. After the visit we took some photographs as memories and returned with a lot of valuable information. Students enjoyed the visit and got insightful information on Chitale Bandhu.
