113	Database Management System	BS12002			✓	Analysis and database development skill	3,4	Database querying skill
114	Discrete Mathematics	BS12003			✓	Problem solving skill,computing skills	1,2,3,5	Learn to solve problems with comutations, generalize and analyze the results,
115	Calculus and Number Theory	BS12004			✓	Problem solving skill,computing skills	1,2,3,4	Learn computational and problem solving skills
116	Descriptive Statistics	BS12005			✓	Problem solving skill,computing skills	1,2,3,4,5,6,	Analyze statistical data graphically and problem solving skills using measures of central tendency, dispersion, natures of skewness and kurtosis and correlation

117	Mathematical Statistics-I	BS12006			✓	Problem solving skill,computing skills	1,2,3,4,5,6,	skills to use probability theory in real life situations
118	Semi-conductor Devices & Basic Electronic System	BS12007			✓	skill of identifying basic electronic components and devices and their working	1,2,4	Skills for understanding electronic devices in CS
119	Principles of Digital Electronics	BS12008			✓	skill of basic of logical circuit designing	2,3	Skills to understand working of Logic gates and circuits related to it
120	Practical Course based on BS12001 and BS12002	BSP12009			✓	Programming, anlytical and database skills	2,3,4,5,6	Postgresql Programming skills
121	Mathematics Practical	BSP12010			✓	Programming skills	All practicals	Solving Mathematical Problems using C-Programming
122	Statistics Practical – I	BSP12011			✓	Problem solving skill,computing skills	All practicals	to apply analytical skills learnt - in problem solving
123	Electronics Practical	BSP12012			✓	skill to correlate theory with practical and develop scientific data compilation	All practicals	skill to understand different working of circuits and its function in CS
124	Advanced C Programming	BS22001			✓	Programming and anlytical skill	1,2,3	Devpt of advanced programming related concepts
125	Relational Database Management System	BS22002			✓	Analysis and database development skill	All practicals	Database progamming skill
126	Graph Theory	BS22003			✓	Problem solving skill,computing skills	3,4,5,6	Fundamentals and Applications of Graph Theory - Shortest path Algorithm, Directed Graphs etc.

127	Linear Algebra	BS22004			✓	Problem solving skill,computing skills	1,2,3,4,5	Learn computational and problem solving skills
128	Methods of Applied Statistics	BS22005			✓	Problem solving skill,computing skills	1,2,3,4	Analyze statistical data graphically and problem solving skills using methods of regression; to use methods of SQC
129	Continuous Probability Distributions & Testing of Hypothesis	BS22006			✓	Problem solving skill,computing skills	1,2,3,4,5	Apply the knowledge of concepts of hypothesis testing, parametric and non-parametric tests in research methodology
130	Instrumentation System	BS22007			✓	skill of identifying sensors and their connections in IOT's	1,2,3	skills for M2M communication and to develop an IoT system
131	Basics of Computer Organization	BS22008			✓	skill is to design logical electronic circuits in computer organisation	1,2	Skills for embedded system design and its applications
132	Computer Science Practical on Advanced C Programming and Relational Database management System Advanced 'C' Programming and Relational Database Management System	BSP22009			✓	Programming, anlytical and database skills	1,2,3,4,5,6	Database progamming skill
133	Mathematics Practical using 'C' Programming and Maxima	BSP22010			✓	Programming skills	All Practicals	Solving Mathematical Problems using C-Programming and Maxima for Graph theory and Linear Algebra
134	Statistics Practical – II	BSP22011			✓	Problem solving skill,computing skills	All Practicals	Apply the knowledge of concepts of hypothesis testing, parametric and non-parametric tests in research methodology

No.	Course	Code				Skill	Units	Outcome
135	Electronics Practical	BSP22012			✓	skill to correlate theory with practical and develop scientific data compilation	All Practicals	skills for basic electronics devises and gates
136	Business Organization and Systems	BB12001			✓	communication, interpersonal and employability skills	unit 1,2,3	Skills for Basic forms of organisations
137	Business Communication Skills	BB12002	✓		✓	communication, interpersonal and employability skills	unit 1,2,3,4	Skills to understand business communication
138	Business Accounting	BB12003			✓	problem solving, critical thinking and accounting skills	unit 2,3,4	maintenance of books of accounts upto finalization
139	Business Economics (Micro)	BB12004			✓	critical thinking and analytical skills	unit 1,2,3,4,5	Cognitive, building a strong foundation for evaluation of market structure
140	Business Mathematics	BB12005			✓	critical, analytical, problem solving, reasoning skills	unit 1,2,3,4,5	develop logical reasoning and quantitative aptitude and learn application of the tools in the real world.
141	Business Demography	BB12006			✓	critical thinking and analytical skills	unit 1,2,3,4,5	Comprehending the basics of demographic and environmental features and apply them to Economics
142	Foreign Language - German	ADBB12001	✓		✓	communication, interpersonal and employability skills	All Units	basic language and conversation, reading, writing, listening in German Language

#	Subject	Code				Skills	Unit	Outcome
