I agree that under no circumstances am I authorized to access any of the *Systems* for the purpose of obtaining *Deloitte Property* for a competitor of a *Deloitte Entity*, transmitting *Deloitte Property* to me (e.g., emailing *Confidential Information* to my personal email address) or to a third party for purposes other than furthering the business objectives of a *Deloitte Entity*. a. I agree that the Employer owns all rights, title and interest in and to all *Works*.

b. I agree that all *Works* are deemed works made for hire under India copyright or applicable laws or equivalent laws of any applicable foreign jurisdiction, and all *Intellectual Property Rights* therein vest automatically in the Employer upon creation of the *Works*. I agree that, to the extent any *Work* is held not to be a work made for hire, I hereby irrevocably assign all *Intellectual Property Rights* in the *Work* to the Employer. Notwithstanding anything contained in Section 19(4) of the Indian Copyright Act, 1957, I agree that such assignment shall continue to be in force for perpetuity irrespective of whether or not the Employer exercises its rights as the assignee for any period of time.

c. I will at all times, even after termination of my *Employment*, do whatever the Employer reasonably requests of me, at the Employer's expense, to document the assignment of any *Works* to the Employer or to assist the Employer in pursuing, renewing, extending or assigning any *Intellectual Property Rights*, and otherwise perfecting, protecting and enforcing said *Intellectual Property Rights* in, any *Works*. I agree that, as between me and the Employer, the Employer shall be the sole author, inventor, and owner of all such *Works* and *Intellectual Property Rights* therein throughout the world, and that the Employer shall have the sole right to seek copyright registrations, patents or trademark registrations, including all extensions and renewals thereof. I also hereby agree that I waive all moral rights in any *Works*.

I also agree to assign all my right, title and interest in and to any particular *Works* to a third party as directed by the Employer.

In the event the Employer is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraphs, I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraphs with the same legal force and effect as if executed by me. I hereby waive any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any *Works* assigned hereunder to the Employer.

d. During a 12 month period after termination of my *Employment*, I agree that any *Intellectual Property* I create or conceive that results from and is related to any work assigned to or performed by me for the Employer, or that was created using *Deloitte Property*, is a *Work* that is subject to Paragraph 10(b) above. For purposes of clarification, the foregoing provision is in addition to, and not in limitation of, any rights and remedies the Employer may have under the applicable laws protecting *Intellectual Property* of the *Deloitte Entities*.

e. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Employer) of all *Works* developed by me during the

period of my employment with the Employer, which records shall be available to and remain the sole property of the Employer at all times.

11. **Pre-existing Creations; Personal Creations.** My obligations in Paragraph 10 do not apply to *Pre-existing Creations* and *Personal Creations*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B**, and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. I further agree that I shall not use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment* without the prior written consent of an *Authorized Signatory*. To the extent that I use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment*, I agree that, except as otherwise provided in a written agreement executed by me and the Employer, I hereby grant to the Employer an irrevocable, royalty free, perpetual, fully paid up, transferable, sub-licensable license to use, reproduce, distribute, display, perform, modify and create derivative works of and otherwise exploit such *Pre-existing Creations* or *Personal Creations* for any purpose including, but not limited to, client engagements.
12. **Post-Employment Restriction re: Clients.** I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, for a period of one year following the termination of my *Employment* for any reason, I will not, directly or indirectly, solicit or provide services to any client or prospective client of a *Deloitte Entity* to which I provided (or participated in a proposal to provide) services during the two-year period prior to termination of my *Employment*.
13. **Exceptions to Post-Employment Restriction re: Clients.** I understand that the obligations of Paragraph 12 will not apply for a period of three (3) years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.
14. **Future Employment with Clients.** Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities*

remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. **Restriction re: *Personnel* and Contractors.** I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated, (b) participate in the hiring or admission of any *Personnel*, or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.
16. **Post-Employment Restrictions re: *Deloitte Property*.** Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d) I agree to allow a *Deloitte Entity* to inspect any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a *Deloitte Entity* to remove such *Deloitte Property*.

OTHER POST-EMPLOYMENT OBLIGATIONS

17. **Transition of Work and Cooperation.** Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licensor of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.
18. **Notification of Post-Employment Obligations.** I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.
19. **Certification.** I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 10, 11, 12, 14, 15 and 16 of this Employment Agreement.

Entity is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15, to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. **Liquidated Damages: Client Fees.** I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to 50% of all fees received by me (or any person or entity with which I am associated) in connection with such breach. Such percentage shall be paid within thirty days after each fee payment is received and in respect of all services in connection with such breach during the two years following the termination of my *Employment* for any reason.
22. **Liquidated Damages: Compensation.** I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.
23. **Right of Inspection.** I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the “Employer”), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

2. NON DISCLOSURE, NON SOLICIT AND INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT AGREEMENT (“Employment Agreement”)

You will be expected to sign the Employer’s Employment Agreement. Please contact Talent for further details.

Expressly forbidden are unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Depending on the circumstances, such harassment may also include conduct such as stereotyped or demeaning remarks or gestures or the display or circulation, whether in writing or electronically, of materials or pictures offensive to persons because of their caste, place of birth, race, religion, creed, color, citizenship, national origin, age, sex, gender, sexual orientation, marital status, disability, genetic information or any legally protected basis in accordance with applicable Indian central, state or local law. In order to assure orderly operations and provide the best possible work environment, the Employer expects you to follow rules of conduct that will protect the interests and safety of all personnel, including but not limited to the Code of Ethics and Professional Conduct.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this
- **Dedicated 24X7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.
- **Meal Delivery Service**
We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with [United Way of India](#) to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with [StepOne](#). StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the [US Chamber of Commerce](#) to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators; 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

2. (a) During my employment with IBM and for two years following the termination of my employment from IBM for any reason, I will not directly or indirectly within the Restricted Area solicit, or attempt to or participate or assist in any effort to solicit, any employee of IBM to be employed or perform services outside of IBM. For purposes of this Paragraph 2(a), "Restricted Area" shall mean any geographic area in the world in which I worked or for which I had job responsibilities, including supervisory responsibilities, during the last twelve (12) months of my employment with IBM. Also, for purposes of this Paragraph 2(a), "employee of IBM" shall mean any employee of IBM who worked within the Restricted Area at any time in the 12-month period immediately preceding any actual or attempted solicitation. (b) I agree that during my employment with IBM and for one year following the termination of my employment for any reason, I will not directly or indirectly solicit for competitive business purposes any customer with which I was directly or indirectly involved as part of my job responsibilities during the twelve (12) months prior to the termination of my employment with IBM. This paragraph 2(b) does not apply to any IBM employee whose work location as reflected in IBM records is within the state of California.

I acknowledge that IBM would suffer irreparable harm if I fail to comply with Paragraph 2(a) or (b), and that IBM would be entitled to any appropriate relief, including money damages, equitable relief and attorneys' fees.

3. I will not disclose to IBM, use in its business, or cause it to use, any information or material which is confidential to any third party unless authorized by IBM. In addition, I will not incorporate into any product used and/or sold by IBM, any copyrighted materials or patented inventions of any third party, unless authorized by IBM pursuant to Paragraph 5.

4. I will comply, and do all things necessary for IBM to comply, with (a) the laws and regulations of all governments under which IBM does business, (b) the provisions of contracts between any such government or its contractors and IBM that relate to intellectual property or to

the safeguarding of information, and (c) IBM's corporate directives, including, without limitation, policies and information technology security standards issued from time to time as well as the IBM Business Conduct Guidelines as amended from time to time.

5. I hereby assign to IBM my entire right, title, and interest in any idea, concept, technique, invention, design (whether the design is ornamental or otherwise), computer programs and related documentation, other works of authorship, mask works, and the like (all hereinafter called "Developments"), hereafter made, conceived, written, or otherwise created solely or jointly by me, whether or not such Developments are patentable, subject to copyright or trademark protection or susceptible to any other form of protection which: (a) relate to the actual or anticipated business or research or development of IBM or its subsidiaries or (b) are suggested by or result from any task assigned to me or work performed by me for or on behalf of IBM or its subsidiaries.

If, by operation of law such right, title, and interest in Developments vest in IBM upon creation, I acknowledge that such right, title, and interest belong to IBM. Also, I hereby assign to IBM my entire right, title and interest in any such Developments that were or are suggested by or a result of any task assigned to me or work performed by me for or on behalf of any entity that IBM acquired or in which IBM purchased a controlling interest to the extent that any such right, title and interest is not already owned by said entity.

In the case of any "other works of authorship", such assignment or ownership shall be limited to those works of authorship which meet both conditions (a) and (b) above.

California Notice: For Developments subject to California law, notwithstanding anything above to the contrary, I understand that this assignment does not apply to a Development which qualifies fully under the provisions of Section 2870 of the California Labor Code. The above provisions concerning assignment or ownership of Developments apply to Developments created while employed by IBM in an executive, managerial, professional, product or technical planning, technical, research, programming, or engineering capacity (including development, product, manufacturing, systems, applied science, and field engineering) or otherwise.

The assignment of Developments in this Paragraph 5 shall exclude any Developments in which I have a right, title, or interest and that were, prior to my employment with IBM, (1) conceived and/or made solely or jointly by me; (2) written wholly or in part by me; or (3) expressly stated in an agreement that I executed with another party which precludes an assignment to IBM (collectively, these exceptions to assigned Developments hereunder shall be known as "Excluded Developments"). Further, I acknowledge that I will not use or cause to be used, any Excluded Developments in IBM's business, research or development without a written or email authorization to do so from both my first and second line manager. For the avoidance of doubt, Excluded Developments shall not comprise any Developments that were or are suggested by or resulted from any task assigned to me or work performed by me for or on behalf of any entity that IBM acquired or in which IBM purchased a controlling interest, unless assignment of my right, title, and interest in the Development is governed by an agreement executed prior to my IBM employment.

I hereby identify any and all Excluded Developments which are not published in a searchable public database (e.g. United States Patent & Trademark Office). In the following table I have provided a brief non-confidential description that sufficiently identifies the Excluded Development (e.g. title of publication), the creation date of the Excluded Development, and to the extent my rights to the Excluded Development are governed by an agreement, the other named party to the agreement and the date the obligation terminates.

If I do not have any Excluded Developments to declare I have left the following table blank or have written "None," "Non/Applicable," or a similar designation.

Description of Excluded Development	Date Created	Named Party/Termination Date

Additional pages may be attached, as appropriate to identify other Excluded Developments, if any. IBM requires you to disclose Excluded Developments in this Paragraph 5. If you wish to interest IBM in any Excluded Development, you may contact the Intellectual Property and Licensing Department at Corporate Headquarters, which will provide you with instructions for submitting it to IBM.

6. In connection with any of the Developments assigned by Paragraph 5: (a) I will promptly disclose them in writing to the IBM

Intellectual Property Law Department; and (b) I will, on IBM's request, promptly execute a specific assignment of title to IBM or its designee, and do anything else reasonably necessary to enable IBM or such designee to secure a patent, copyright or other form of protection therefore in the United States and in other countries. In addition, I agree to promptly notify the IBM Intellectual Property Law Department in writing of any patent or patent application in which I am an inventor but which is not assigned by Paragraph 5 and which discloses or claims any Development made, conceived, or written while I am employed by IBM. I also agree to promptly notify the IBM Intellectual Property Law Department if, after I leave the employ of IBM, I am contacted by anyone or any entity outside of IBM regarding any transaction, legal or governmental proceeding, litigation or other legal dispute concerning or relating to any of the Developments assigned by Paragraph 5.

7. IBM and its licensees, successors, or assigns (direct or indirect) are not required to designate me as an author of any Development which is subject to Paragraph 5, when it is distributed, publicly or otherwise, or to secure my permission to change or otherwise alter its integrity. I hereby waive and release, to the extent permitted by law, all rights in and to such designation and any rights I may have concerning modifications of such Developments.

I understand that any rights, waivers, releases, and assignments herein granted and made by me are freely assignable by IBM and are for the benefit of IBM and its subsidiaries, licensees, successors, and assigns.

8. I agree that IBM, its services providers and other third parties authorized by IBM will collect, use, store, make available to those who have a need-to-know, and otherwise process my personal information to establish, maintain and terminate my employment relationship with IBM and for other legitimate business purposes, anywhere in the world. Such personal information, whether provided to IBM, its service providers, or third parties directly by me or otherwise gathered, includes my name, photo, contact information, skills, compensation, performance, usage of IBM assets, background check results, bank account information, and disability or medical information.

I will not use for unauthorized purposes nor share with any unauthorized parties, either during or after my employment, any personal information about others to which I may have access during my employment at IBM.

IBM provides numerous opportunities for social computing through blogs, wikis, social networks, virtual worlds and other social media. I agree to comply with all IBM policies and practices regarding use of social computing tools and I understand that I am personally responsible for the content I post on any social computing tools (whether on IBM's internal platforms or on third party sites) and that any information I post, including any of my personal information, may be made broadly available to others, potentially inside or outside IBM, who have access to these tools.

9. The term "subsidiaries," as used in this Agreement, includes any entity owned or controlled, directly or indirectly, by International Business Machines Corporation.

10. The term "employment at will," as used in this Agreement, means the employment at the mutual consent of both me and IBM. Accordingly, either IBM or I can terminate the employment relationship at will, at any time, with or without cause or advance notice. However, this clause does not relieve me of my responsibility to serve the notice period in accordance with my terms of employment, in the event of my resignation from the services of IBM.

11. This Agreement supersedes all previous oral or written communications, representations, understandings, undertakings, or agreements relating to the subject matter hereof, except as expressly agreed otherwise by IBM in writing upon my hire or transfer of employment to IBM. Any waiver of a term in this Agreement and any amendment to this Agreement may only be made in a writing signed by the Senior Vice President of Human Resources for International Business Machines Corporation and myself.

12. This Agreement shall be governed by the laws of India. If any provision of this Agreement is unenforceable at law, the remainder shall remain in effect. I recognize that any violation of my obligations described herein would cause IBM to suffer irreparable harm and can result in disciplinary action, including dismissal from IBM, and any other appropriate relief for IBM including money damages, equitable relief and attorneys fees.

13. This Agreement shall constitute a part of my terms of employment with IBM, and is executed contemporaneously with my offer of employment/ employment contract with IBM.

My agreement, and my acknowledgment of receipt of a copy of this Agreement, are indicated by my signature below.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this
- **Dedicated 24X7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.
- **Meal Delivery Service**
We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with [United Way of India](#) to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with [StepOne](#). StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the [US Chamber of Commerce](#) to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators; 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.
