From left to right, there is a blue note, a yellow note, a red note, and a purple note. The notes have a hand-drawn, artistic feel. The background is a solid dark blue with faint, lighter blue floral or leaf-like patterns scattered across it.

THE COLLEGE SONG

I WOULD BE SIMPLE, FOR I WOULD BE STRONG
TO WRESTLE WITH THE DARK AND RIGHT THEWRONG!
I WOULD BE PURE, FOR A SHRINE AM I OFHIM,
WHOSE HOLY LIGHT I MUST REFLECT, NOTDIM!

I WOULD IN WORSHIP LIFT MY HEART TO GOD,
WITHOUT WHOSE MERCY I AM BUT A CLOD!
I WOULD IN SERVICE GROW FROM MORE TO MORE,
FOR IN THE POOR IS HE WHOM I ADORE!

I WOULD BE HUMBLE, FOR IN PRIDE IS FALL;
I WOULD SEND OUT MY SYMPATHY TO ALL!
I WOULD BE FRIEND OF MAN AND BIRD AND BEAST;
I WOULD TH' ONE ATMAN GREET IN WEST ANDEAST!

I WOULD IN RACES AND RELIGIONS ALL
HEAR STILL MY HOLY MASTER'S SACRED CALL!
I WOULD IN SILENCE SERVE ST. MIRA'S COLLEGE STILL;
I WOULD, IN GREAT AND SMALL, ADORE
THE ONE ETERNAL WILL!

ST. MIRA'S COLLEGE FOR GIRLS, PUNE

A PROFILE

The woman-soul shall lead us upward, on!

The Mira Movement in education was born out of the vision of a philosopher-saint Sadhu Vaswani, a distinguished professor and principal of prestigious institutions. Sadhu Vaswani was a visionary who believed deeply in woman-power and woman-spirit long before feminism was even thought of. He founded the Mira School in Sind in 1932. The model institution was all set to evolve into a Mira University when the Partition of the sub-continent forced him and his band of devoted workers to leave their homeland, Sind, and migrate to Maharashtra in independent India.

The State of Maharashtra with its glorious history of culture and liberalism provided a fertile ground for the Mira Movement to take new roots. The Mira Schools and College were set up in quick succession. St. Mira's College, established in 1962, was one of the pioneering colleges set up exclusively for girls in this part of the country. Today, the College is a member of the prestigious and exclusive Mira Family consisting of nine educational institutions, located across India in Pune, New Delhi, Baroda, Rajkot, Ahmedabad and Jaipur. The Mira Movement's headquarters are located in Pune. The institutions flourish under an enlightened and supportive management guided by none other than Dada J.P. Vaswani, a world-renowned spiritual leader and messenger of India's spiritual heritage.

What is special about St. Mira's?

St. Mira's College was started in 1962 by the philosopher-saint Sadhu T.L. Vaswani, as the first College set up exclusively for women in Pune. It is an integral part of the Sadhu Vaswani Mission—a charitable organisation, founded by Sadhu Vaswani—a visionary who believed in the potential of women to reform society.

Sadhu T. L. Vaswani felt that the end of true education is character building. Education must not merely be academic or abstract; it has to prepare the students for real life. To this end, he devised a new type of education, which would not only develop brainpower but which would provide a triple training of the head, the hand and the heart to equip the student to become a worthy participant in the adventure OF LIFE.

The Mira Movement in Education started by Sadhu Vaswani aims at the empowerment of women-emotional, intellectual and spiritual. It testifies to the adage: Educate a man and you educate an individual; Educate a woman and you enlighten a whole family.

The name 'Mira' is synonymous with nobility, wisdom, Indian culture, courage, purity, service, sacrifice and, above all, pure love. Saint Mira was an advocate of true freedom for women, which grows out of the love of God and service to the poor. With one strong sweep of her soul, she rose heroically to break the fetters of Indian womanhood. Mira flowered from a rebel into a saint. She asserted her will and vindicated her dignity as a woman, only to surrender her will to the Lord, providing a luminous example of "Our wills are ours to make them Thine!" It is these very qualities that Sadhu Vaswani wanted girls to be blessed with. Therefore, Sadhu Vaswani named his experiment in education after this saint of Indian history.

The College is under the aegis of the SVM. It has been guided by supportive management, with Dada J.P.Vaswani, a world-renowned spiritual leader at the helm. Blessed by Sadhu Vaswani's vision and Dada J.P. Vaswani's guiding light, the College continues to flourish as a women's college, even while other similar endeavours in Pune have chosen to go co-ed.

St. Mira's College distinguishes itself as an educational institution that builds competence by default and character by design. We have, in our 60 years of academic service, developed the necessary constructs for imparting a value-based education, which gives us our exclusive identity. St. Mira's College seeks to accomplish this ideal by providing an environment where the girl students can flourish and evolve to achieve their highest potential. What sets St. Mira's apart from other educational institutions is a composite atmosphere and functioning, which may be described as the Mira way of life. Ours is a unique and proactive temple of learning. Our value is borne out by the following facts:

- Academic excellence is never compromised, and St. Mira's students are given all the support and training necessary to show excellent results in the University examinations.
- Social service and community development are an integral part of the Mira Education System. Students, working with the active support and guidance of their teachers, participate in a full-fledged year long social service program, which forms an impressive calendar of service activities.
- Indian ideals and the eternal values of life are a distinctive feature of the Sanctuary- a daily assembly devoted to the Art of Living.

Hall**

**PranayamSession

- For the Mira Management, Education is not a commercial enterprise, but part of its highly idealistic program of service to society. Therefore, NO CAPITATION FEE is charged for admission to any of its courses. No student has ever been turned away from a Mira institution for want of money.
- Generous patrons and donors have instituted free-ships and scholarships, which are well utilised to aid students on a need-cum-merit basis.
- The College takes pride in producing, several graduates who are first-generation learners every year. The free-ships and concessions available to them are fully utilised by these students, who benefit greatly from the encouragement that they receive from staff members.
- In the day-to-day activities of the College, curricular, co-curricular and extra-curricular activities are woven into a seamless fabric, enabling the active participation of students and teachers in all events and programs.

ST. MIRA'S COLLEGE IS THE FIRST ARTS & COMMERCE COLLEGE IN MAHARASHTRA TO BE GRANTED AUTONOMY. THE COLLEGE CONTINUES TO BE AFFILIATED TO THE SAVITRIBAI PHULE PUNE UNIVERSITY. STUDENTS OF ST. MIRA'S CONTINUE TO BE A PART OF THE SAVITRIBAI PHULE PUNE UNIVERSITY AND GET THEIR DEGREE CERTIFICATES FROM THE UNIVERSITY.”

Autonomy is the privilege granted by a university to colleges affiliated to it, to assume some of the functions undertaken by the University itself. The Savitribai Phule Pune University has placed its trust in St. Mira's and has permitted the College to design its graduate and post-graduate programmes and courses, to suit students' and industry needs and conduct examinations in the same.

Autonomy is synonymous with Accountability. Only such educational institutions that have a track record of excellent academic performances, credibility and are well known for 'Healthy and Ethical Practices' are granted Autonomous status.

- Academic autonomy at St. Mira's has helped to provide seamless education, where by at the First year level, the Commerce students may if they so desire, take one subject from the Arts stream. Psychology instead of Marketing; Sociology/Education instead of Mathematics. Similarly, an Arts student can take up Business Mathematics & Statistics instead of Sociology/Education (in different subject packages).
- Inclusion of vocation-based subjects in the curriculum
- Continuous evaluation to avoid the pitfalls of the 'rote' system.
- Inclusion of the 'industry perspective' in the syllabus.
- Subject dynamism made possible by providing for revision of at least 25% of the
- Syllabus every three years.
