

M.Sc. Computer Science First Year 2019-24

Project

Semester II	Subject Code: MSE21906	Lectures: 60
--------------------	-------------------------------	---------------------

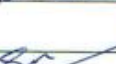

Objectives:

The syllabus aims in equipping students with,

- To implement the concepts of programming languages.
- To develop a working system which can work on any platform.

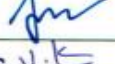

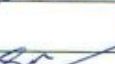

Project Report Content should be as follows:

1. College certificate
2. Acknowledgement
3. Problem Definition
4. Existing System and need for the new system
5. Scope of the work
6. Feasibility study (Including H/W & S/W setup requirements)
7. Analysis Models
 - Use-Case Diagrams
